Dear campus community member:

Each year around this time, we publish our Annual Security and Fire Safety Report which includes statistics from the previous three years concerning crime that occurred on campus, in certain off-campus buildings or property owned or controlled by the University of Illinois at Urbana-Champaign. The report additionally includes statistics for fires which occurred in on-campus student housing, fire safety policies and procedures, institutional policies concerning campus security and other safety information.

Creating and maintaining a safe community is a responsibility the University of Illinois Police Department, University Housing and Campus Code Compliance and Fire Safety take very seriously, but we cannot do it alone. Crime and fire prevention is a community effort, and you are our most valuable public safety resource. By reviewing this report, you are partnering with us to take the necessary steps to look out for yourself and others and to create a safer campus community for everyone.

Toward this end, and in compliance with federal regulations and the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, a copy of the University of Illinois at Urbana-Champaign Annual Security and Fire Safety Report is available online at police.illinois.edu/clery.

A hard copy of the Annual Security and Fire Safety Report may be obtained by visiting the U. of I. Public Safety Building at 1110 W. Springfield Ave., Urbana, IL 61801, or by contacting 217-333-1216. You may also review the Daily Crime Log at the front desk of the U. of I. Public Safety Building.
In addition to reviewing this report, there are other important steps you can take to enhance your own safety on campus.

- Sign up for Illini-Alert messages by visiting emergency.illinois.edu.
- Review campus safety measures at go.illinois.edu/safety.
- Take a minute to prepare for emergencies at police.illinois.edu/safe.
- Review sexual violence and misconduct resources available to the campus community at wecare.illinois.edu.

We hope that you review these important resources and use the information to promote your own awareness. Together, we can continue to make the campus community a safer place where education, research and public service can flourish.

Sincerely,

Jeffrey T. Christensen
