If you are planning to attend the University of Illinois at Chicago during the 2017-2018 academic year and you feel you are independent for financial aid purposes, you must submit a letter explaining in detail the reason(s). Please note that per federal regulations, a parent’s unwillingness to provide their financial data, a student’s living arrangement, or the student’s ability to support themselves financially do not solely constitute grounds for a student to be considered independent. Approval of the appeal is not automatic or guaranteed. Appeals are considered on a case-by-case basis.
