Note: If you failed to meet the SAP requirements due to incomplete (I) or not reported (NR) coursework you may not need to appeal. Once the course(s) in question are reported in the Banner system, please notify the Office of Student Financial Aid (OSFA) in writing via the SAP Review Request Form if you feel you meet the various SAP requirements as the result of the course(s) now being reported.

If you did not meet the Satisfactory Academic Progress (SAP) requirements due to extenuating circumstances, you may submit a formal appeal requesting the reinstatement of your financial aid eligibility. Circumstances related to the typical adjustment to college life are not considered as extenuating for purposes of appealing suspension of financial aid.

Submitting an appeal does not automatically guarantee approval. Appeals will be reviewed by the Satisfactory Academic Progress Appeal Committee. The Committee consists of members from various colleges and departments at UIC. The Committee will decide if your financial aid should be reinstated or remain in cancellation. Please be aware that if the Committee reinstates your financial aid eligibility they will require certain stipulations that must be met each term. Failure to meet these stipulations at any point in time will result in your financial aid once again being cancelled. You will be notified in writing by mail or via email of the Committee's decision. The Committee's decision is final.

Steps to complete Appeal:

1. **Complete the Satisfactory Academic Progress Appeal Form.**
   In a typed statement clearly explain the circumstances which prevented you from meeting the Satisfactory Academic Progress requirements:
   • What occurred; why did you fail to meet the SAP requirements?
   • How have you resolved these circumstances so that they will not continue to affect you in the future?
   • If you have exceeded the maximum time frame, explain the number of hours accumulated.

2. **Meet with your academic advisor to complete the Evaluation of Academic Performance Form.**
   If you submit your appeal without the evaluation from your academic advisor, your appeal will not be considered.
   If you were cancelled for exceeding the maximum time frame requirement to complete your degree you must also submit a DEGREE PLAN.
   • It must verify your major and
   • It must list the specific courses and number of hours remaining for your major and degree completion.

3. **Submit your complete appeal packet and all supporting documents by the published deadline for the term for which you are appealing.**
   • Appeals without supporting documentation will be denied. Please see the top of page 2 for examples of supporting documentation.
   • If a professional is providing a letter to support your appeal, it must be signed, dated and on letterhead.
   • All letters must include contact information (address and phone number) for the committee to contact if they determine follow-up is necessary. However, you must document your circumstances in writing. Do not expect for the committee to use this contact information to call and document your circumstances for you.
Some examples of appropriate supporting documentation are as follows:

Submitting incomplete documentation will result in a denial of your appeal or a delay in processing.

Please make sure to include your name, nine-digit UIN number, current address, phone number, and email address on your appeal documents.

**Students in cancellation status may enroll in classes. However, if the appeal is denied the student is responsible for any charges incurred at UIC. Financial Aid cannot be retroactively reinstated if an appeal is approved after a semester has ended or if an appeal is incomplete and the documents are submitted after a term ends.**

You may call (312) 996-3126 to make an appointment with your financial aid counselor to discuss your appeal. Your counselor will not be able to approve or deny your appeal, nor do financial aid counselors sit on the committee which reviews your appeal. Your counselor will only be able to clarify any questions you have about this document and provide you with other financial aid options.

**There are SAP appeal deadlines for each semester. If appeals are not submitted in their entirety by the semester deadline, the appeal may not be reviewed until the following semester.**

- Appeal deadlines are as follows:
  - Summer – June 1
  - Fall – October 15
  - Spring – March 15

Only submit complete appeal packets with supporting documentation, do not submit documents individually.

RE: Request for Written Evaluation of Academic Performance  

To comply with federal regulations, the University of Illinois at Chicago is required to monitor whether a student is maintaining satisfactory academic progress in his/her course of study. Students who have been denied financial aid eligibility because they have not met one or more of the requirements of the Satisfactory Academic Progress Policy are offered the opportunity to submit an appeal to regain their financial aid eligibility. As part of the appeal, a student must document extenuating circumstances that prevented him/her from meeting the requirements.

Before the Satisfactory Academic Progress Appeal Committee may consider a student’s appeal, the student is required to obtain a written evaluation of his/her past and potential academic performance at the University of Illinois at Chicago.
